Now is the time to get ready and order sales tools to prime your prospects for a disability income insurance (DI) sale throughout DIAM and beyond! To get started, watch our brief video featuring assistant vice president, DI Sales, Kevin Christensen that will automatically download the DIAM Resource Guide (A9616) and DIAM Planner (A9669) full of ideas and orderable sales tool options from our [Agent Forum's](#) Resource Library. We will help you connect and inspire action with clients through videos of real life DI stories, compelling stats and ready-to-share social media.
